The 2010 Paws ‘N Claws Benefit
Thursday, November 18th
10 a.m. to 6 p.m.

Where?
University of Utah-Eccles Institute of Human Genetics
1st floor Atrium-West Bldg 533
South of the University Hospital & School of Medicine and East of the Medical Library

Benefit raises funds for the support and placement of Retired Research Animals into adoptive homes with all contributions going to a development fund established at the University. In the past 14 years, over 665 dogs and 175 cats have been adopted out.
